Tov l'hodot – It is good to give thanks

The approach of our annual congregational meeting provides a good opportunity to reflect on the year that has past. Each year when I look back, I am struck by the number of you who have made a contribution – of time, talent or resources – to Congregation Beth Shalom. This year is no different. The membership list is not only a list of names. It is a list of contributions, large and small, to the building of our synagogue community.

Some of you sit on the board of directors, chair a committee or sit on a committee. Some of you organized, worked at or solicited contributions for Denim & Pearls. Some of you donated to the High Holy Day appeal or in memory of a loved one. Some of you organized an oneg Shabbat or donated something to help enrich the community building that occurs at each oneg. Some of you cooked a meal for members who are sick or struggling with bereavement. Some of you helped at Sukkah under the Stars or our Chanukah celebration. Some of you raised new ideas and possibilities for our synagogue.

Your partnership and willingness to contribute is what makes Congregation Beth Shalom not just a name, a building, an address – but a true community. And for that, I say, in the words of the psalmist (psalm 92) “Tov l'hodot Adonai – it is good to give thanks to God.” The Holy One of Blessing is reflected in the blessings that you offer to us in everything you do.

What is your next step? Volunteering your time or talents to the synagogue is not only a matter of agreeing to do a needed task (although that is certainly appreciated!) Volunteering is something that should enrich your spirit, bring you fulfillment and joy. What does that for you? Is it knowing that you've brought joy to someone by calling them to say Shabbat Shalom? Is it seeing our young people grow in their connection to Jewish tradition? Is it helping make sure that the synagogue lives up to its mission to be welcoming to everyone? Is it building bridges with churches and mosques that strengthen us all? Is it finding ways to help us contribute to the community at large through acts of mitzvot? How can your contribution to the synagogue bring you meaning? Whether quietly behind the scenes or in a leadership role, what form of involvement and contribution to our synagogue family will bring you fulfillment and meaning?

I am grateful for all that you have done, and blessed in the knowledge that many of you will continue to explore your next steps as committed members of Beth Shalom. In a well-known teaching in Pirkei Avot 2:16 (the teachings of our ancestors), we are told “It is not up to you to finish the work, but you are not free to avoid it altogether.” What is your next step?

FROM THE PRESIDENT - David Friedman

Can We All Get Along?

Perhaps you read Gary Gould’s article in the March 24 – April 6, edition of the *Jewish Press*. This article, titled “The Wisdom of Rodney King and the Haredim: Part 3” was long, but interesting.

He writes about how the hate crimes that have flooded Jewish communities across America have put a lot of us in an everlasting state of alertness. “To be alert is a good thing, but the anxiety produced can be quite debilitating.” Gould gives two possibilities for the recent rise in these detestable acts. “One being the recent contentious bid for the White House. The other could be the recent settlement expansion in Israel.”

In his article, rather than focus on the reasons of why, Gould turns his attention to the fact that “We’re under attack on many different fronts and now more than ever, when we truly need to stand together, many people are creating conflict in our North American Jewish community. Or, are withdrawing from it because of partisan political differences.”

“Like all Synagogues and churches, with 501 (c) (3) non-profit status, we need to go out of our way to not take political stands.” I agree with Gould’s statement as it applies to what we do at CBS. As president, I, along with the rest of the CBS board, have a responsibility to “hide our political leanings” and unite. This was the main reason the executive committee chose to monitor what gets posted to our Facebook pages. We should reserve our own individual pages for our individual political views. I’ve already seen how two individuals, who were completely polarized politically on one Facebook page, now work together, side by side on a committee.

Gould writes, “sure, we have a plurality of very diverse opinions – we’re all Jews after all, but we need to agree to disagree, civilly and with diplomacy and not pull back from one another or from the community because of red/blue perspectives.”

Who are the haredim? This is a group of ultra-Orthodox Jews in Israel. Their income level is well under the poverty-line. “In most of these households, the women are the sole bread winners while the men study Torah most of the day. Most of us would frown upon their unhealthy lifestyle. Little exercise, poor diet, etc. And yet, haredi men live three years longer than the rest of the Israeli male population. The haredi women live 18 months longer than other women.

Why do the haredi live so long? Researchers indicate it may be due to the multiple ways the haredim are connected to their communities, social trust and the absence of significant political discord”

To quote Karen Dawkins, who is co-owner and managing editor of the *Jewish Press*, “I can never recall so much division and passions running this high.” The tone of the correspondence she’s received is angrier than she can remember.

As for the “Philosophy of Rodney King,” recall he was arrested and beaten by Los Angeles police in 1992. As a result of the police actions being acquitted, subsequent rioting was responsible for 55 deaths and numerous injuries. Rodney King pleaded, “I just want to say, you know, can we all get along? Can we get along?”

“Make no mistake, the future well-being of our Jewish community depends on it.” Well said!

Congregation Beth Shalom provides a meaningful spiritual home for people of all ages and levels of knowledge, a place to learn and to question, a place to worship and to celebrate, and a place to find a community that cares.

MEMBERSHIP

Membership invites **ALL NEW MEMBERS** who joined Congregation Beth Shalom since January 2016, to attend services and a special oneg May 12 Shabbat services in their honor. **ALL NEW MEMBERS** will be personally invited to attend May 12 and we hope to see **ALL** our new members that night.

The membership committee has started working on a major project: **updating our membership data base**. Because our members' demographic information changes often and includes home phone numbers, cellphone numbers, email addresses, home addresses, etc., we need to constantly update our membership information.

The best way for us to accomplish this is to ask all of you to contact Cari, our new administrator, at the temple or

contact your membership co-chairmen. If you move to a new house or apartment, make sure the temple receives your new address.

By the way, have you visited the CBS website recently? The membership list now includes ALL members - new and established. Go to the site, login with your user name and personal password and make sure your information is correct. If it is not, please let us know so it can be corrected.

LIFELONG LEARNING—Sheila Fishman

Lifelong Learning Programming

We are now approaching that time of the year when the Lifelong Learning Committee begins planning for the 2017-18 Congregation Beth Shalom learning experiences. Of course, Bibles and Bagels will continue several Shabbat mornings throughout the year, giving us an opportunity to nosh on a bagel and cream cheese and discuss the Torah portion for that week. Page Turners will also meet regularly throughout the year on selected Monday evenings, affording us an opportunity to share our opinions regarding selected books. Rabbi Torop will continue her series of programs, which will include classes on the Jewish immigrant experience, ethical dilemmas, and an introduction to Sephardic Jewry.

This is just the beginning. We are planning to provide additional programming throughout the year. We propose to continue our presentations on medical topics of interest to our congregants and their friends. We will be bringing back our "Saturday Night at the Movies" with a plus. We will be providing dinner to our attendees, and are hoping to arrange babysitting services for those members with young children.

It is our plan to offer several classes in our temple kitchen. Join us for an informative, fun, and enticing cooking demonstration. Each program will be a hands-on experience and will be followed by an opportunity to taste the "fruits of your labor." We are considering a program on challah baking, Sephardic food, or perhaps a special holiday meal. If you have any suggestions or would like to help in the planning of these In-the-Kitchen events, please contact Sheila Fishman at 813-833-7843.

There is still more under consideration. However, we want to hear from you!! We are looking to you for added programming or enhancements to the above programming. Finally, we are looking for congregants who would be interested in joining our committee for planning and future implementation of just one or all of the programs chosen for 2017-18. We meet on the first Tuesday evening of each month at 6:30p.m. at the temple.

Once again, if you are interested in joining us or would like to assist in one area of our future programming, please reach out to Sheila Fishman.

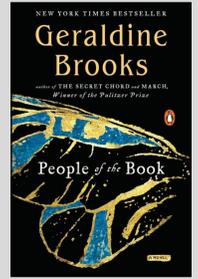

Save the Date!

The Social Action Committee reminds you CBS Mitzvah Day is Sunday, Nov. 5!

Page Turners

Monday, May 15, at 6 p.m. is the final Page Turners meeting of the season. The book we will be discussing is *People of the Book* by Geraldine Brooks. Mindy Gale will be leading the discussion.

People of the Book is a fictionalized account of the Sarajevo Haggadah, a 600-year-old illuminated book, one of the earliest of its kind. It chronicles the attempts of a young Australian conservator, Hannah Heath, to trace the journey and the origin of the Haggadah, using the beguiling clues in its binding. Brooks' story telling gift gently uncovers the layers of the book's history, taking the reader in a backward trajectory from 1940 to Sarajevo, Vienna, Venice, Tarragona and finally Seville. The story involves the Vatican, the mausoleums and the treasure-seeking Nazis.

EDUCATION - Amy Weinstein

I would like to take this opportunity to thank those that make our religious school a wonderful place to learn. First and foremost, Rabbi Torop. Through the years you have always been a huge supporter of our school. Thank you for the wisdom you share and the patience you bring each and every week. Our students learn to embrace traditions and are open to learning partly because we have such a hands-on, approachable leader. This is evident from our youngest learners to our confirmation class. A huge shout out to our dedicated teachers; Stacy Serota, Sarah Smith, Jeff Newman, Michael Barnett, Seth Dugan, Lauren Weisman, and Dan Weinstein. I certainly acknowledge how much you do and appreciate your commitment to our school. Thanks to Karen Blanchard who works to ensure we have effective curriculum and appropriate holiday programming for our students.

We provided many of our students supplemental material over the summer. We hope that they will have the opportunity to continue working on their Hebrew these next few months. Please use the materials, online resources and Shabbat services to keep their acquisition of Hebrew strong. If you would like some additional ideas for the summer months, please feel free to contact Rabbi Torop, Karen or me.

Please don't hesitate to contact me if you have any questions/concerns/comments regarding your child's religious education at Congregation Beth Shalom, please contact Amy Weinstein at awine007@msn.com (813)285-9251.

Important Dates

- **Wednesday, May 3:** Last day of Hebrew class and Confirmation
- **Sunday, May 7:** Last day of Religious School

BESTY BEAT

BESTAgghetti went great! Everyone enjoyed a fresh pasta meal made and served by the BESTY team! After the delicious dinner we split into teams to play Jewish Jeopardy! Team Green Kugel ended up taking the lead on some of the last questions and winning the game. Our night of fun was concluded with a short trophy ceremony where Judy Lubin, Jacob Garbett, and Kate Swedlow won MVPs. We'd like to thank everyone who came out to support BESTY and Camp Jenny. SAFETY AND SECURITY COMMITTEE — David Richter

If you wish to participate in the synagogue's safety and security, become a member of this newly-formed committee. Our next meeting will be at the temple Thursday, April 27, at 6:30 p.m., and on the last Wednesday of each month, also at 6:30pm, beginning in May. A great way to stay informed and plugged into safety and security within our congregational family is to participate in the secure and closed CBS Safety and Security Committee Facebook Group. Please note the group is not "searchable" via Facebook, adding an extra layer of security. If you'd like to be added, please email Jackie Mayer at jackie0011@yahoo.com. Being a member of this site, that already has in excess of 50 members, is a great way to stay informed and to stay plugged in. A liaison representative from Homeland Security has just completed a safety audit for CBS and we should be receiving their report shortly. We are in the process of completing a Homeland Security grant application that would assist in underwriting security enhancements for CBS. The members of the committee ratified the following Mission Statement:

The Safety and Security Committee was created by the board of directors of Congregation Beth Shalom to fulfill the mission of recommending and implementing safety and security measures. These measures are designed to protect and render safe and secure the congregation's membership (adults, children, guests, and friends) and property. Additionally, these measures are meant to preserve the congregation's vision of being a warm, caring, and inclusive reform Jewish community, which provides opportunities for life-long study of Torah, avodah (worship), and gemilut

chasadim (deeds of loving kindness).

We are committed, but not limited to, the following:

- Promoting a safe and secure environment while emphasizing and preserving Jewish values and the congregation's mission;
- Facilitating communication that embodies empathy, compromise, trust, and inclusion;
- Identifying and pursuing sources of funding, education and support to sustain our mission;
- Defining "safety and security" within the confines of:
 1. The identification of dangers and risks to our congregation's community and then recommending and implementing "best practice" strategies and remedies; and,
 2. The seeding and harvesting of goodwill within the outside community.

Are You Supporting our Commercial Advertisers?

Since revenue from our commercial advertisers helps to defray the cost of printing and distributing *The Kibbitzer*,

we urge all of our readers to patronize our commercial advertisers and, when you see them, to thank them. Without them, Congregation Beth Shalom of Brandon would not be able to publish *The Kibbitzer* in print and online.

DONATIONS

Congregation Beth Shalom accepts donations for many purposes, with a variety of opportunities for donors to support the good works of the Temple. You may contact the office either by phone or email to make a contribution, or head to our website to make a secure online payment through a PayPal account or by using a credit card.

Funds:

- **General Fund** (unrestricted): An unrestricted gift to the General Fund allows the temple to use those funds wherever they may be needed most. This fund incorporates contributions received from our High Holy Day Appeal, Yahrzeit donations, Bricklets, Adopt-A-Book, Tree of Life (unless otherwise indicated) and other non-restricted gifts.
- **Building Fund:** A fund to ensure the continuing physical growth of our spiritual home. Intended for capital improvements and major building repairs.
- **Endowment Fund:** Gifts to this fund are placed in an investment account and temporarily restricted or can be defined/restricted by the donor. This fund ensures the future of our temple.
- **Religious School Scholarship Fund:** These funds will be made available to Religious School students who are in need of tuition assistance, as determined confidentially by the Treasurer.
- **Rabbi's Discretionary Fund:** a fund for assistance to families in need, scholarship assistance, interfaith council, Holocaust museum and other endeavors at the Rabbi's discretion.
- **Youth Group Fund:** a fund that supports the ongoing engagement of post b'nai mitzvah youth, providing meaningful and fun experiences for our teens, and keeping them connected to their Jewish community.

If you wish to designate a gift to a particular purpose, for example, Food Bank, Choir, Oneg, Social Action, etc., you may do so by noting as such on your payment method or with an accompanying note; otherwise, your gift will be used where it is needed most.

Opportunities:

- **Adopt-A-Book:** A dedication label will be placed in one of our prayer books, to commemorate a simcha or in honor or memory of a loved one for just \$54.
- **Bricklets:** For as little as \$9 you can send a Bricklet Card instead of buying a card for birthdays, condolences, etc. A Bricklet Card in your name will be sent to the person you wish stating that a donation has been made in his or her name to Beth Shalom to honor the occasion.
- **Tree of Life:** The Tree of Life is on the back wall of our Sanctuary. An engraved leaf or stone can commemorate many simchas, b'nai mitzvah, wedding, birth, graduations, etc. Leaves are \$180, and stones are \$1800.
- **Yahrzeit Plaque:** To honor the death of a loved one, you may purchase a plaque that will be cared for in perpetuity for \$250. The name of the deceased along with their date of death is included on the plaque.

*Unless otherwise noted by you, your gift will be acknowledged in the Kibbitzer the month following its receipt.
If your donation is incorrectly listed or omitted, please notify the temple office immediately.*

Babysitters

Contact the temple office for a list of available babysitters. Contact information, qualifications and transportation details available for each sitter. We will not publish information about our younger members online due to privacy concerns.

ATTENTION! We send the Kibbitzer out online. This change has been made to help decrease one of our expenses at Beth Shalom.

However, if you prefer receiving your Kibbitzer via the US Mail, please call the Temple at (813) 681-6547 or e-mail the Temple (cbs-admin@hotmail.com) to tell us you **do not** want to get your Kibbitzer online. Please help Beth Shalom cut its expenses and receive your Kibbitzer sooner.
